Paper Tape

This eco-friendly tape is made from silicone-free kraft paper, which is recyclable.

It matches the strength and tear resistance of synthetic plastic tape and provides immediate, long-lasting adhesion with natural rubber adhesive.

It does not tear the cardboard on our packaging when the tape is removed.

Length: 50 meter

Customized tape

Our customized kraft paper sealing tape offers the same eco-friendly benefits as our standard paper tape.

Personalize your shipments with your own logo on this sealing solution.
